FOREWORD

This is the 1963 statewide index of Indiana marriages. The 1959 revision of the marriage law provides for the returns of the officiant to be made to the clerk issuing the license and whenever information as to the ceremony is needed, it may be obtained from that office.

Any inquiries concerning the marriage index should be directed to the Division of Vital Records, Indiana State Board of Health, 1330 West Michigan Street, Indianapolis, Indiana 46207.

DELAYED REPORTS

Marriage returns which reach the Indiana State Board of Health after annual tabulations are completed will be compiled and published every five years. The first such publication will be issued in 1970.
